Getting Things Done® - David Allen's GTD® Methodology

Getting Things Done is a time management method, described in the book of the same title by productivity consultant David Allen. The GTD method rests on the idea of moving planned tasks and projects out of the mind by recording them externally and then breaking them into actionable work items. This allows attention to be focused on taking action on tasks, instead of recalling them. First published in 2001, a revised edition of the book was released in 2015 to reflect the changes in information t
