Homeschool Planning Can Be SUPER Simple The summer before your school work begins is the perfect time to complete the first step of my super simple homeschool planning method. In fact, a great time to start is right after those boxes filled with new-smelling curriculum arrive at your door.

My Super Simple Homeschool Planning Method

Homeschool Curriculum for Easy-Going Families Let me begin by saying we don't agree with pushing things like biology, history, or geography so young. You'll find that in a lot of textbooks there's a lot of repetition from year to year.

Homeschool Curriculum for Easy-Going Families - Weed 'em ...

Non Religious Homeschool Curriculum. Despite popular belief, not every homeschool family is religious. Sure, the majority of homeschoolers is Christian. But every year the homeschool community is growing exponentially, and as a result, the number of non-religious homeschoolers is increasing, as well.

Non Religious Homeschool Curriculum | Homeschool Made Simple!

These steps for planning high school homeschool curriculum are crucial, because they give us the confidence to take a stab at actually doing the homeschool high school thing. Completing each step in the process helps us feel empowered, even qualified, to think about graduating a homeschooled student down the road.

How to Create a High School Homeschool Curriculum Plan

My planning is a bit simpler mainly because I am homeschooling nine kids and would drive myself crazy getting too detailed. Using unit studies has made things so much easier because, although I have three kids doing FIAR and three kids doing Konos, that is only two main lesson plans, rather than six.

My 3 step process for homeschool planning

This time of year is also when many of us homeschoolers start to plan and purchase curriculum for next year. It's one of my favorite parts of homeschooling. I get starry eyed just thinking about the scopes and sequences, the planning forms and the boxes of beautiful books on the doorstep.

The best advice I've ever heard about ... - Simple Homeschool

Homeschool With Confidence Educate your children at home using textbooks, video lessons, teaching aids, and more. Homeschooling is an opportunity for parents to give their children the education they need to succeed at life, right in your own home. We count it a joy and privilege to equip, support, and even assist you in this journey.

Above all, her most treasured job is mother and homeschool teacher of four amazing kiddos.

Homeschool Science Curriculum: A Complete Plan From K-12

PLANNING! — The best way I plan out the curriculum we will use in our homeschool year is by creating a “Course of Study.” “What is a Course of Study?” Well, it's essentially the “course” or direction you plan to take for the year. My road map to what we will be studying. Every year I create a new course of study for our school year.
