Mongolian Grammar Textbook
This book is not for beginning language students. I know just enough to start to beat my way through some of it. It will go with me on my next trip, though. While I'm not an expert on languages or language textbooks, I think Mongolian Grammar could easily become the standard offering.

Mongolian Grammar Textbook: Khatantuuл Baatarsukh ...
This book as a one of the few modern Mongolia textbooks out there in the market does do a good job presenting basic Mongolian grammatical concepts, with a plus since it has an accompanying cassette. However, this book does not do a thorough job in laying out Mongolian grammar and it has many typos which are really irritating.
