Business ...

Before you decide to start selling wholesale, make sure your business can handle it. Wholesale buyers will expect you to sell to them in bulk and at a significant discount so they can stock up on your product and sell it at their own markup.

Start Selling Wholesale and Grow Your Business

Read Book Start Your Own

And finally, you'll need to set up a full-fledged distribution network. At the start, this can be something as simple as partnering with a local courier company who can deliver your products on your behalf of a small fee. Later on, when things get too frantic, you can always purchase your own delivery trucks and run all the operations in-house.
