UK Defence in Numbers 2019

The most recent UK defence in numbers (updated 2 March 2020) has revealed that the Government is investing an additional £2.2 billion in Defence. This additional funding will ensure that the UK continues to exceed the NATO guideline that member states spend 2% of GDP on Defence and cements the UK's position as the leading European ally in NATO, remaining, by far, the largest NATO defence spender in Europe.
